Manuel Arto

ABOUT ME

Passionate about the IT world since childhood, I am currently taking a Master's degree in Computer Science at the University of Bologna. I completed the Bachelor's degree while doing a part-time job as a backend developer. My main interests are backend development and blockchain.

WORK EXPERIENCE

SEP 2021 - SEP 2023

Net Service, Bologna

Software Engineer

• Management and development of a platform for collecting data on court proceedings for more than 40 credit institutions.
